

Football Scoreboard Features

Model #11224 Enhanced

Standard Features

- A CABINET CONSTRUCTION:** Heavy-duty 18-gauge steel (porcelain finish) or .080 aluminum (urethane finish) beats out the competition for its dent resistance. Finish available in two popular choices:
 - **PERMANENT PORCELAIN ENAMEL FINISH:** The most durable finish in the industry, guaranteed not to fade for 25 years. Available in any color.
 - **URETHANE FINISH:** Comes with UV inhibitors and capable of enduring tough environmental conditions. Increase the life with our exclusive Clear Coat Finish. Available in any color at no additional charge.
- B SPECTRALITE™ LEDS:** Available in three popular styles: SpectraBrite™, Ultra-Bold, or Pro-Style technology. Choose from Red, Amber or Combination.
- C TEAM NAME:** Available in place of "HOME". Choose from a variety of colors at no charge.
- D STRIPING:** Provides a framed and finished look. Available in a variety of colors at no charge.
- E CLOCK:** 99 minute clock with user selectable track timing 1/10 or 1/100 second.
- F DELUXE GAME HORN:** Extra loud sound alerts end of quarter or game.

MSX Multi-Sport Controller:

Most technologically advanced and versatile controller available. Easy to set up and operate. (Shown on reverse side).

Upgrade Options

- G SPIRIT / SPONSOR SIGNS:** Gives recognition and shows appreciation. Available in any size or shape.
- H ANIMATION SCREEN:** Add excitement to your game with moving graphic teasers and text messages. Many styles and sizes available.
- I TRANSITIONAL HEADER:** Built any size or shape to provide a pleasing overall design.
- J MASCOT:** High quality, fade resistant, stock or custom mascots available in one color or upgrade to a dynamic full-color mascot.
